Two More Great New Hotels

Adopt Simmons Beds

THEN the new HOTEL PENNSYLVANIA (New York) and the HOTEL WASHINGTON (Washington, D. C.) opened their doors to the traveling public-they offered as one of their primary attractions, bedrooms fitted with Simmons Metal Beds-beds built for sleep.

In face of the keenest competition, these two contracts were awarded to the Simmons Company because of the well-known character of Simmons Beds and Springs - and the fine good-will they have made for themselves with the patrons and management of prominent hotels all over America.

EVEN more than an item of news—there is a hint here for the housewife who is thinking of buying beds.

It may never have occurred to you that you can have for your home the same luxurious sleeping equipment as you find in the famous hotels.

You have only to go to your leading furniture dealer or department store—ask for Simmons Beds and Simmons Springs-and make sure that each piece shown you bears the name "Simmons."

There is a good bit more in this name "Simmons" than merely a trademark.

It signifies metal beds - not wooden beds.

It signifies the highest-grade metal beds ever produced. Beds that stand four-square, firm and strong. Quiet beds-not a rattle or squeak. Beds that invite complete relaxation and deep, calm sleep.

It signifies Springs that yield to every contour of the body - yet never lose their elasticity.

Your dealer has these beds-or should have them-the new designs-now. If not, he can get them in a few hours from the Simmons Warehouse or wholesale distributor.

Cost is little if any more than for ordinary beds. Simmons Beds and Springs - built for sleep!

"Spank Your Daughters If Necessary"-Preacher

Boston, Mass, May 14.— The styles of today are the most humodest suggestive and damanable in the history of the world, declared the Rev Cortland Myers, preaching in Tremont Temple, on "Sampson and Dellian." He besseched muthers to take their dearthers in hand and "guide their dearthers in hand and "guide their tight and spank them. If necessary." A good woman is the greatest blessing in the world, but a led woman cale send a man to hell so fast he desen't know he has started," said the preached.
